

## Facials

### **Deep Cleansing Facial Express** \$60

Renew your skin with a deep pore cleansing facial. This express facial includes an exfoliation enzyme followed by steam, extractions, and a hydrating treatment mask. - 30 min. treatment

### **Rejuvenating Facial** \$90

Address fatigued, sun damaged, and dehydrated skin. Renew and restore with a relaxing facial that includes a customized enzyme and mask leaving your skin healthy and smooth with a youthful glow. - 1 hr. treatment

### **Hot Stone Facial** \$90

Experience the ultimate peace while warm, smooth stones are used to gently massage the face, neck, and décolleté after cleansing. Stimulate circulation and help eliminate toxins with this service. - 1 hr. treatment

### **Gentlemen's Warm Towel Facial** \$90

Specifically for men's unique skin. This facial includes warm towels, extractions and a gentle exfoliating enzyme followed by a purifying charcoal mask and relaxing neck and scalp massage. - 1 hr. treatment

### **Seasonal Facial** Call for Pricing

Our Seasonal Facial uses nature's botanicals to deliver multiple benefits. Just as the cycles of the season change, so does our skin. This facial includes an optional mild peel that uses natural sugars and acids. - 1 hr. treatment

### **Purifying Back Facial** \$90

Treat this hard to reach area with steam, a deep cleanse, and extractions followed by an invigorating exfoliating scrub. Enjoy a cool mask and a relaxing neck and scalp massage. - 1 hr. treatment

### **DermaPlane Facial** \$50

Gently remove the fine facial hairs and top layer of dead skin cells without the harsh effects of waxing. It's a perfect addition to a facial or may be done as a stand-alone treatment. - 30 min. treatment

## Peels

### **Rejuvenize Peel** \$175

A SkinMedica Peel penetrates deep into the surface layers of the skin delivering even, radical exfoliation to expose fresher, beautiful skin. - 45 min. treatment

### **Vitalize Peel** \$150

This SkinMedica Peel helps fight the effects of time, sun damage, and environmental assaults. Reduce fine lines and wrinkles, promote collagen production and improve mild scarring. Look younger and refreshed with smooth, bright skin tone and texture. - 45 min. treatment

### **Micro Peel** \$95

This three-step procedure combines manual and chemical exfoliation, and cryogenic therapy. It helps reduce the primary signs of photo aging, finelines, wrinkles, dullness, and visible skin imperfections. - 45 min. treatment

## Add On

### **Collagen Mask Treatment** \$20

Relax with a 100% collagen mask. Nurture your skin with an anti-wrinkle moisturizing treatment.

### **DermaPlane** \$25

Add a DermaPlane to any facial and remove fine facial hairs and the top layer of dead skin from the face.

### **Elastin and Collagen Eye Mask** \$20

This mask repairs the fragile skin around the eyes and helps to alleviate dark circles and puffiness.

### **Epionce Lite Peel Refresh** \$40

Epionce Lite Peel Refresh relieves congestion, dullness and sallowness. It increases cell turnover to leave you with skin clarity and radiance.

### **Epionce Malic Acid Peel** \$50

Increase cell turnover, re-texturize and smoothen skin. Improve hyperpigmentation, acne, and rosacea.

### **Eye Brow Tint** \$20

Enhance, darken and define natural brows with a custom tint to make those brows bolder and beautiful.

## Specialty Treatments

### **Secret RF** - \$1,000 for 1 treatment or \$2,000 for 3

An advanced microneedling system uses fractional radio frequency (RF) to stimulate and remodel collagen and address the common signs of aging. This unique technology uses gold plated needles to improve fine lines, wrinkles, scars and stretch marks with little to no downtime. (3 treatments recommended) - 1.5 hr. each.

### **DermaPen** \$300

Tiny needles create microscopic channels which activate the production of collagen and elastin. Improve skin tone, pigmentation, reduce fine lines/wrinkles, scarring, and reduce pore size. Great for skin sensitive to heat or chemical treatments.

(3 treatments recommended) - 30 min. each

### **DiamondGlow - Dermalinfusion Facial**

Exfoliate, extract, and infuse the skin with condition-specific serums for an all-inclusive treatment. Choose from Vitamin C, Ultra Hydrating, Skin Brightening or Pore Clarifying. We offer 3 different levels of this luxury treatment. A series of 3 or more is recommended.

- **Shimmer** treatment only - 30 min \$150
- **Shine** treatment + dermaplane or mask - 45 min \$175
- **\*Glow** treatment + dermaplane, collagen mask and scalp/neck massage - 1 hour \$200

*Earn Brilliant Distinction on all Diamond Glow treatments.*

*\*Glow package purchases of 6 are eligible for \$400 in FREE SkinMedica skincare for glowing skin year round!*

### **Microdermabrasion** \$125

A noninvasive exfoliating treatment designed to stimulate skin improving fine lines, acne scarring and sun damage. It helps collagen production, leaving your skin looking and feeling younger. - 45 min. treatment

### **ECHO<sub>2</sub> Plus** \$90

The ECHO<sub>2</sub> Plus Oxygen Skin Care Treatment is uniquely designed to cleanse, nourish and revitalize every skin cell through its revolutionary use of the pure oxygen molecule. This treatment reduces the effects of aging caused by the sun, free radical damage, and exposure to pollutants. - 45 min. treatment

Consultation is required prior to all laser services

## Genesis Skin Therapy

Laser Genesis is a non-invasive laser treatment that restores skin tone, treats fine lines and wrinkles, scars, large pores, and active acne. This heat-based laser stimulates collagen production resulting in a more youthful skin tone and texture. (series recommended)  
- 45 min. treatment

## LP560

LP560 is a pulsed light system that is exceptional at treating redness (rosacea), brown spots and sun damage at the same time. It is an innovative way to quickly, safely and comfortably improve your skin's texture, tone and color on your face, chest, arms, and hands. You can notice remarkable results with minimal treatments.  
- 45 min. treatment

## Vessel Treatment

Cutera CoolGlide combines the ideal laser wavelength with the most flexible parameters to deliver a superior vascular laser treatment. The laser delivers pulses of energy destroying the vessels quickly, safely and effectively.  
- 30 min. treatment

## Laser Hair Removal

Laser Hair Removal is a convenient, noninvasive method for permanently reducing or removing unwanted facial and body hair. Hair growth is reduced after each treatment. Typically 6-8 treatments are recommended.  
-45 min. treatment
