Achieve fuller, lifted, and beautifully defined brows. Laminate, shape, wax, trim, and tint.

Chemical Peels

Call for pricing.

VI Peel

Diminish the appearance of fine lines and wrinkles while addressing uneven skin tone or other pigmentary changes. Best for mild to moderate skin imperfections on the face and body. A series of 3 is recommended.

TCA Peel (Trichloroacetic Acid)

This revitalizing resurfacing treatment targets fine lines, acne scars, sun damage, and uneven tone. This medium-depth peel smooths texture and reveals clearer, tighter, more luminous skin. A consultation is required for this treatment.

Add-Ons

B-12 Shot \$20
Boost energy, lift mood, support restful sleep, and improve focus.

Lipotropic Shot \$40
A potent formula combines B12 with lipotropic compounds to help break down fat.

Treatment Mask \$20
Soothing botanicals, minerals and hyaluronic acid, instantly hydrates and revives dry, dull skin.

Elastin and Collagen Eye Mask \$20
Repair fragile skin around the eyes and help alleviate dark circles and puffiness.

Dermaplane \$25
A safe, non-invasive treatment to eliminate soft facial hair, remove dead skin cells, and promote smoother skin.

Lactic Acid Peel \$45
Exfoliate, hydrate, and brighten with an AHA complex safe for sensitive skin and perfect for a fresh, luminous result.

Visia Skin Analysis \$50
Understand, reveal, and track your skin's health with a precise, in-depth facial scan.

Laser Treatments

Consultation required for non-ablative laser treatments. Call for pricing and to schedule.

Laser Hair Removal

Reduce unwanted facial and body hair in 6 - 8 treatments for smooth long-lasting results.

Laser Genesis

Treat rosacea, redness, and fine lines by stimulating collagen production, resulting in a more youthful, even skin tone and texture with zero downtime. Series of 5 recommended.

IPL (Intense Pulsed Light)

Target pigmentation and redness while boosting collagen and elastin. Improve age and sun spots for a smoother, brighter skin tone and texture. A series of 3-5 is recommended.

ResurFX

Stimulates collagen for firmer, radiant skin. Improve skin texture, fine lines, wrinkles, and acne scars. Ideal for the face, neck, décolletage, arms, hands, and stretch marks. A series of 4 is recommended.

Photofractional

Combat pigmentation, sun spots, wrinkles, and signs of aging with a combined ResurFX™ and IPL treatment. This dual technology targets both tone and texture for comprehensive skin renewal. Series of 4 recommended.

CO2 Laser

Tighten skin, smooth imperfections, and restore radiance in one session. Stimulate new tissue growth for a refreshed look. A consultation with our physician is required for this treatment.

Vessel Treatment

Quickly, safely, and effectively treat vessels and broken capillaries while reducing redness with minimal downtime. Series may be needed.

PRP Treatments

Call for pricing.

Platelet-Rich Plasma Treatments

Rejuvenate naturally with your body's own plasma. This collagen-boosting treatment improves texture, tone, and elasticity for smooth, firm, refreshed skin and a healthy glow.

PRP Under Eye Injection

Rejuvenate the delicate under-eye area to smooth texture and reduce dark circles.

Liquid Gold Rejuvenation

Combine microneedling with PRP on the face and neck for smoother, radiant, youthful skin. Add an under eye or smile line treatment for even better results.

Injectables

Please call for details. Consultation fee applies.

Neurotoxins

Smooth wrinkles and fine lines by relaxing facial muscles in the forehead, crow's feet, and frown lines. Neck bands can also be treated. Maintain results with 3-4 treatments annually.

Dermal Filler

Hyaluronic Acid (HA) Filler naturally restores lost volume, sculpts, and beautifully enhances facial features. Immediate results can last up to one year or longer, depending on the type of filler.
