## Facials

**Express Facial** \$75  
A curated pore cleanse, exfoliation, and custom mask for an effortless refresh.

**Dermaplane Facial** \$75  
Look smooth and radiant with fine hair removal, gentle exfoliation, and hydration.

**Microdermabrasion** \$150  
A non-invasive exfoliation that softens fine lines, improves sun damage, tone, and texture for brighter, smoother skin.

**Rejuvenating Facial** \$150  
A restorative treatment tailored to your skin featuring enzymes, dermaplaning, a facial massage, and relaxing mask to reveal radiant, healthy skin.

**DiamondGlow** \$250  
A luxurious dermabrasion treatment that exfoliates, extracts impurities and infuses SkinMedica® serums, enhanced with dermaplaning, a calming hydrating mask, and facial massage for instant glow.

## Specialty Treatments

**Microneedling** \$300  
Stimulates collagen and elastin to improve texture, tone, pores, and the appearance of scars for smoother, firmer skin.

**Secret RF** \$1,000  
Advanced microneedling combined with radiofrequency to stimulate collagen, improve skin laxity, soften wrinkles, and reduce scars with minimal downtime. Series recommended for optimal results.

## Chemical Peels

Consultation Required | Call For Pricing

### VI Peel

Reduce fine lines, wrinkles, acne, and other pigment irregularities. Ideal for mild to moderate skin concerns on the face and body.

### TCA Peel (Trichloroacetic Acid)

A medium-depth resurfacing peel that targets fine lines, acne scars, sun damage, and uneven skin tone — revealing clearer, firmer, more luminous skin.

## Lashes & Brows

**Lash Lift and Tint** \$145  
A semi-permanent curl lifts and enhances lashes for a longer, fuller look.

**Deluxe Eyebrow Design** \$145  
Achieve fuller, lifted, beautifully defined brows. Includes lamination, shape, wax, trim, and tint.

## Waxing Add-Ons

Call for other treatment areas and pricing

# Enhancements

<b>B-12 Injection</b>	\$20
A gentle wellness boost to support energy levels, mental clarity, and overall vitality.	
<b>Lipotropic Injection</b>	\$40
A wellness-enhancing blend of B-12 and lipotropic nutrients to support metabolism, fat burning, and energy.	
<b>Dermaplane</b>	\$40
Gently removes dead skin cells and fine facial hair to optimize product absorption, smooth the skin, and enhance your glow.	
<b>Lactic Acid Peel</b>	\$40
Exfoliate, hydrate, and brighten with an AHA complex safe for sensitive skin and perfect for a fresh, luminous result.	
<b>Purifying Back Facial</b>	\$105
A luxurious enhancement designed to nourish the skin on the back, featuring a deep cleanse and gentle exfoliation to address congestion and dryness.	
<b>Treatment Mask or Eye Mask</b>	\$20
Hydrating and soothing enhancements to boost radiance, calm the skin and refresh the facial and eye areas.	
<b>Visia Skin Analysis</b>	\$50
An advanced imaging system that reveals and tracks skin health, allowing for personalized treatment planning and skincare recommendations.	

# Laser Treatments

Consultation Required | Series Recommended

## Laser Hair Removal

A medical-grade laser designed to reduce unwanted hair on the face and body. A series provides long lasting results.

## Laser Genesis

Non-ablative laser therapy stimulates collagen, improves redness, fine lines, and uneven texture. Achieve a clearer, more radiant complexion with zero downtime.

## IPL (Intense Pulsed Light)

Targets pigmentation, sun damage and redness while boosting collagen to improve overall skin tone and clarity for a brighter, more even appearance.

## ResurFX™

A fractional laser that improves texture, softens fine lines, improves scars and enhances overall skin quality.

## Photofractional™

A powerful combination of IPL and ResurFX™ that targets tone and texture, improving pigmentation, sun damage, and early signs of aging for comprehensive skin renewal.

## Vessel Treatment

Targeted laser therapy to reduce visible vessels and facial redness.

# PRP Treatments

Consultation Required | Series Recommended

## Liquid Gold Rejuvenation

A regenerative treatment combining your own Platelet-Rich Plasma with microneedling to stimulate collagen and elastin, soften fine lines and scars, improve texture and tone, and restore a luminous, healthy glow.

## Under-Eye Rejuvenation

A targeted PRP treatment to refresh the delicate under-eye area, helping improve texture, soften dark circles, and restore a smoother more rested appearance.

# Injections

Consultation Required

## Neurotoxins

A treatment to relax targeted facial muscles to soften fine lines and wrinkles. Results are refreshed with maintenance treatments throughout the year.

## Dermal Filler

Hyaluronic Acid fillers restore lost volume, enhance facial contours, and soften lines while maintaining natural expression. Results are immediate and customized to enhance balance and structure.

## Sculptra

A collagen-boosting treatment to gradually restore volume and improve skin quality with results that develop naturally.
